Why Everyone Build?
Right now, building community is both more critical and challenging than ever. Everyone Build offers a hands-on opportunity for creativity to come to life through small, family-friendly building activities. We’re asking you to share your work with us and Habitat supporters will have the opportunity to “vote” for the most creative submission – we want our community to become your community. Your participation is virtual and flexible. Join us for one challenge, or all four.

Is there a fundraising minimum to join?
No! Everyone Build is for EVERYONE! No fundraising minimum included to participate.

Who should Donors make checks out to?
San Diego Habitat for Humanity or SDHFH. Don’t forget to mail the check(s) to our Administrative Office – address below.

Will the checks be added to our online Fundraising Page?
Yes, once your check is received by San Diego Habitat, we will add it to everydayhero as an offline donation, and you will see it included in your fundraising page total.

When is the deadline for fundraising?
Donations will be accepted throughout April & May.

Can we Facebook/Tweet/Instagram our builds?
Yes, please do! Selfies are encouraged, don’t forget to tag us and use the #HabitatEveryoneBuild

We can't wait to build with you, virtually!

Please submit all donations to: Joanna Barraco, Donor Stewardship & Events Manager
San Diego Habitat for Humanity
8128 Mercury Ct. San Diego, CA 92111
